Tips for Parents

- Post the calendar in a visible spot where everyone can see it.
- Plan family activities such as visiting your local library to see if they have a summer reading program or attending the Utah Festival of Books.
- Help your child set challenging reading goals, and show interest in their efforts.
- **READ WITH YOUR CHILD.** In addition to books, read everyday things such as traffic signs, billboards, cooking recipes, cereal boxes, magazines, and newspapers.

Remember, next to loving your children, reading aloud with them is one of the most positive things you can do. Parental involvement improves a child's academic achievement.
